Ballet Nights - 28/29 June 2024 : A reflection on "A diverse, delicious and dynamic programme"

"An interesting observation about Jamiel Devernay-Laurence's *Ballet Nights* performances is that he really takes on board comments and criticisms and acts on them. Thus this ever-evolving venture continues to garner more interest and gather momentum. ...Nine months after its official launch, this was the best yet".

"Eve Mutso, a former ballerina with Scottish Ballet, gave an intensely moving performance of a solo from Peter Darrell's *Five Rückert Songs* by Gustav Mahler. *Ich bin der Welt abhanden gekommen* is infused with melancholy. Accompanied by mezzo soprano Dana Mays and Emanuel on the piano, Mutso took us on a heartfelt journey. It was good to see her dancing again and perhaps even more poignantly, in a work by Darrell". - Deborah Weiss, Bachtrack - 1 July 2024
